Sir:

In response to the Notice of Abandonment ("Notice") dated January 20, 2006,  
Applicant hereby petitions to revive the above-identified patent application, the abandonment of  
which was unintentional.

The Notice indicates that the application was abandoned because Applicants  
failed to submit corrected drawings as required in the Notice of Allowability.

## PATENT

The undersigned Attorney for Applicant unintentionally did not submit corrected drawings when the issue fee was timely paid on August 3, 2005. Rather, the issue fee was paid with the intention of obtaining an issued patent. Attorney for Applicant unintentionally overlooked the portion of the Notice of Allowability which indicated that corrected drawings were required. Corrected drawings are submitted herewith, and the entire delay in filing the corrected drawings was unintentional. The petition fee specified in rule 1.17m, estimated to be \$750 for a small entity, is supplied herewith and any additional fee required may be charged to Deposit Account No. 02-4377. A copy of this paper is submitted herewith. Accordingly, revival of the above-identified application, and its issuance as a patent, is earnestly requested.

Respectfully submitted,

Lisa B. Kole
